

BOBATH TREATMENT TABLE (BT500)

Dual gas spring

Shown in Fjord Blue upholstery

FEATURES

The BT500 Bobath Treatment Table is designed for postural exercises, rolling, turning and balance training. This two section table provides effective usage for patients who have a loss of sensation or poor balance. Also useful in treating neurological conditions; stroke, head injury and orthopaedic treatments.

SOFT TOUCH TECHNOLOGY

Cardon's patented Soft Touch Footswitch has been strategically positioned on the base of your treatment table. **Minimal** amount of pressure applied by your foot will raise and lower the table with ease.
