

CARDON TREATMENT TABLE (CTT)

MOST POPULAR MULTI-PURPOSE TABLE

Optional center section with collapsible sides

Shown in Royal upholstery on Gunmetal frame

FEATURES

The Cardon Treatment Table is the most popular orthopaedic treatment table. This table features an adjustable head and leg section with a fixed center section. In addition, this table is available with the optional NEW ergonomic center section with collapsible sides to allow closer access to the patient. This table adjusts to multiple positions permitting optimization of patient positioning on the table.

SOFT TOUCH TECHNOLOGY

Cardon's patented Soft Touch Footswitch has been strategically positioned on the base of your treatment table. Minimal amount of pressure applied by your foot will raise and lower the table with ease.
