

FIXED HEIGHT TREATMENT MAT (FHM)

Shown in seamless Blue vinyl upholstery

FEATURES

The Fixed Height Treatment Mats are constructed using a high strength seamless tubular frame with a protective powder coat finish in Gunmetal Grey, Black and White. The mats are available in 4' x 7', 5' x 7' and 6' x 8' dimensions, and are padded with 1.5" thick high quality foam. The heights of the treatment mats are readily customizable according to your specifications.

The solid construction of this mat table allows the patient and/or therapist to mount and dismount the table from all sides without hesitation.
