

CARDON TREATMENT TABLE (CTT) WITH PELVIC HEALTH PACKAGE

PATENT PENDING

Available with tray

Powered pelvic tilt seat with handheld control for patient positioning and comfort

Angled footrest for maximum patient comfort

FEATURES

The Cardon Treatment Table with Pelvic Health package is designed to provide optimal comfort for the health practitioner and in turn more relaxation for patients. This innovative, patent pending table features a center section with a pelvic tilt that allows the therapist to easily adjust the seat 20 degrees upwards. It allows the pelvis to rest in a more neutral and supported position.

SOFT TOUCH TECHNOLOGY

Cardon's patented Soft Touch Footswitch has been strategically positioned on the base of your treatment table. Minimal amount of pressure applied by your foot will raise and lower the table with ease.
