

FIXED HEIGHT TREATMENT TABLE (FHT)

Shown in Graphite upholstery

Multi-Adjust backrest

Optional shelf

FEATURES

The Fixed Height Treatment Table is constructed using a high strength seamless tubular frame with a protective powder coat finish in Gunmetal Grey or White. It features a multi-adjust backrest which rises from 0 to 90 degrees, and a fixed leg section. The durable backrest is adjustable to allow accurate positioning. This table is also **available as a 1 section table**. Some assembly required.
