BARIATRIC CARDON TREATMENT TABLE

NEW

50 years trusted provider.

Shown in Sky Blue upholstery

FEATURES

The Bariatric Cardon Treatment Table has a larger treatment surface for a broad range of physical therapy treatments. The wider footprint of the bariatric treatment table provides more stability and supports more weight. This versatile physical therapy table features an adjustable head and leg section with a fixed center section. In addition, this treatment table is available with the optional NEW ergonomic center section with collapsible sides to allow closer access to the patient. This table adjusts to multiple positions permitting optimization of patient positioning on the table.

LIFETIME WARRANTY ON FRAME

SOFT TOUCH TECHNOLOGY

Cardon's patented Soft Touch Footswitch has been strategically positioned on the base of your treatment table. **Minimal** amount of pressure applied by your foot will raise and lower the table with ease.
