

CARDON TREATMENT TABLE (CTT) – TWO SECTION

MULTI-PURPOSE TABLE

Optional rear leg soft touch footswitch configuration

Shown in Black upholstery
on Gunmetal frame

FEATURES

The Cardon Treatment Table is the most popular orthopaedic treatment table. This table is now available as a two section and one section treatment table. This table adjusts to multiple positions permitting optimization of patient positioning on the table.

SOFT TOUCH TECHNOLOGY

Cardon's patented Soft Touch Footswitch has been strategically positioned on the base of your treatment table. Minimal amount of pressure applied by your foot will raise and lower the table with ease.
